## **INDEPENDENT AUDITORS' REPORT**

The Board of Directors  
Caribe Federal Credit Union  
San Juan, Puerto Rico

### **REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS**

We have audited the accompanying consolidated financial statements of the Caribe Federal Credit Union (“the Credit Union”) which comprise the consolidated statements of financial condition as of December 31, 2019 and 2018, and the related statements of income and expenses, changes in members’ equity, comprehensive net income, and cash flows for the years then ended, and the corresponding notes to the consolidated financial statements.

### **MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### **AUDITOR'S RESPONSIBILITY**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **OPINION ON ACCOUNTING PRINCIPLES GENERALLY ACCEPTED IN THE UNITED STATES OF AMERICA**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Credit Union, as of December 31, 2019 and 2018, and the results of its operations, changes in member’s equity, comprehensive net income and cash flows for the years then ended, in accordance with generally accepted accounting principles in the United States of America.

## INDEPENDENT AUDITORS' REPORT (CONTINUED)

### SUPPLEMENTAL INFORMATION

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating information in pages 42, 43, and 44 is presented for purposes of additional analysis and is not a required part of the basic consolidated financial statements. Such supplemental information is the responsibility of management and was derived from and relates directly to, the underlying accounting and other records used to prepare the consolidated financial statements. The supplemental information has been subject to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplemental information is fairly stated in all material respects in relation to the consolidated financial statements taken as whole.

**CONSOLIDATED STATEMENTS OF CASH FLOWS**  
For the years ended on December 31, 2019 and 2018

---

**Supplemental Disclosures of Cash Flow Information**

Interest and dividend paid for the years ended December 31, 2019 and 2018 was \$3,778,112 and \$2,554,108, respectively.

Also, during the years ended December 31, 2019 and 2018, unrealized gain on securities available-for-sale were recognized for \$171,722 and \$3,167, respectively, representing a non-cash item. Those charges are not reported as part of the net income for those years since they represent other comprehensive income.

During the years ended December 31, 2019 and 2018, the transfers of loans, net to other real estate owned was \$585,523 and \$236,676, respectively.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

For the years ended on December 31, 2019 and 2018

---

**1. ORGANIZATION**

Caribe Federal Credit Union (“the Credit Union”) is a nonprofit organization established in 1951 organized and chartered under the Federal Credit Union Act. The Credit Union serves federal employees in Puerto Rico and the U.S. Virgin Islands, members of the *Liga de Estudiantes de Arte de San Juan*, select employee groups in Puerto Rico and immediate family members. Its purpose is to promote thrift among its members by affording them an opportunity to accumulate their savings and create for them a source of credit for productive purposes.

Business Consortium Alliance, Inc. (BCA) is a wholly-owned subsidiary of the Credit Union (Parent Company). It is a credit union service organization (“CUSO”) under the United States Credit Union Act. It was engaged in the development of its lines of business and in providing services to the Credit Union.

During the year ended December 31, 2008, Business Alliance Insurance Agency (BAIA) was incorporated and began operations in 2009. The Company was created to conduct and operate a general insurance agency business for insurance companies organized or admitted doing business in the Commonwealth of Puerto Rico. It is a subsidiary of BCA.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The most significant accounting policies followed the Credit Union are in conformity he accounting principles generally accepted in the United States of America (US GAAP). The most significant policies are as follows:

**Principles of Consolidation**

The consolidated financial statements include the accounts of the Credit Union and its wholly-owned subsidiary Business Consortium Alliance, Inc. (BCA), which was consolidated with Business Alliance Agency (BAIA). All significant intercompany balances and transactions between the Credit Union and the subsidiary have been eliminated in the preparation of the consolidated financial statements.

**Use of Estimates**

The preparation of the consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

### **Reclassifications**

In the accompanying financial statements, certain 2018 figures were reclassified to conform to the 2019 presentation.

### **Concentrations of Credit Risk**

Financial instruments that potentially subject the Credit Union to credit risk include cash balances and certificate of deposits with several financial institutions located in Puerto Rico and the United States; which were insured for up to \$250,000 by the U.S. Federal Deposit Insurance Corporation (FDIC). The balances may exceed amounts insured by the FDIC.

Credit risk for loans receivable and share accounts are also concentrated since most of the Credit Union's members are in the Puerto Rico geographical area.

Bank deposits are insured by the Federal Deposit Insurance Corporation (FDIC) and National Credit Union Association (NCUA) up to \$250,000 per institution. The bank balance of deposits in commercial banks amounting to \$10,433,323 exceeded the amounts covered by federal depository insurance limits. There was no bank balance of deposits exceeding the NCUA depository insurance limits at December 31, 2019 and the balance of deposits in *Banco Cooperativo* amounting to \$776,826 were uninsured at that date.

### **Cash and Cash Equivalents**

For purposes of the statements of cash flows, the Credit Union considers all highly liquid investment securities acquired with an original or remaining maturity of three months or less to be cash equivalents.

### **Investment Securities**

Investment securities consist mainly of obligations issued by the Government of the United States and its political subdivisions. The Credit Union records the investments in securities in accordance with *Accounting for Certain Investments in Debts and Equity Securities*. The Credit Union classifies investments in debt instruments as securities available for sale and held-to-maturity.

*The Remainder of This Page Was Left in Blank Intentionally*

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

For the years ended on December 31, 2019 and 2018

---

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Investments are made in accordance with the Credit Union's policies, which incorporate the regulations of National Credit Union Administration (NCUA), hence they are principally in federally sponsored and guaranteed instruments. Gains or losses on disposition are based on the net proceeds and the adjustment carrying amount of the securities sold, using the specific identification method. Interest income is recorded on an accrual basis.

Securities held-to-maturity

Securities held-to-maturity are those which the management has the intent to hold to maturity. These investments are reported at cost, adjusted for amortization of premiums or accretion of discounts, which are recognized in investment interest income using the effective interest method over the period of maturity.

Securities available-for-sale

Securities available-for-sale are presented at fair market value. Unrealized gains and losses on securities available-for-sale are excluded from earnings and recognized as an increase or decrease in other comprehensive income. Investment securities in this classification could be sold any time in response to economic and strategic factors.

Other than temporary decline in the fair market value

Declines in the fair value of held-to-maturity and available-for-sale securities below their cost that are other than temporary are reflected as realized losses. In estimating other than temporary impairment, management considers: (1) the credit union intent to sell the debt security prior to recovery and, (2) whether it is more likely than not that it will not have to sell the debt prior to recovery, the security would not be considered other than temporarily impaired unless there is a credit loss. When the Credit union does not intend to sell a security, and it is more likely than not, the Credit Union will not have to sell the security before recovery of its cost basis, it will recognize the credit component of other than temporary impairment of a debt security in earnings and the remaining portion in accumulated other comprehensive income (loss).

**Loans Held for Sale**

Loans held for sale consists of mortgage loans carried at the lower of original cost or market value in compliance with FASB ASC 948-310. Market value is determined either on a loan-by-loan basis or on a combined related pool. Net unrealized losses are recognized through a valuation allowance by charges to income.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Loans to Members and Allowance for Loan Losses**

Loans are stated at the amount of unpaid principal, reduced by an allowance for loan losses and net origination fees. Interest on loans is recognized over the term of the loan and is calculated using the simple-interest method on principal amounts outstanding. The allowance for loan losses is established through a provision for loan losses charged to expenses. Loans are charged against the allowance for loan losses when management believes that the collectability of the principal is unlikely and recoveries of previously charged off amounts are credited to the allowance for loan losses. The allowance is an amount that management believes will be adequate to absorb possible losses on existing loans that may become uncollectible, based on evaluations of collectability of loans and prior loan loss experience.

The evaluations take into consideration such factors as changes in the nature and volume of loan portfolio, overall portfolio quality, review of specific problem loans, and current economic conditions that may affect the borrowers' ability to pay. Accrual of interest is discontinued on a loan when management believes, after considering economics, business conditions and collection efforts that the borrowers' financial condition is such that collection of interest is doubtful. Regularly, this is applied to loans with the delinquency greater than 89 days. The revenue for such interests not accrued is recognized when collected.

**Loan Origination Fees**

Loan origination fees are deferred and recognized over the life of the loan as an adjustment of yield. The unamortized balance of the net origination fees is reported as part of the loan balance to which it relates. The periodic amortization is reported on the income statement as interest income.

**Accounts Receivable**

Accounts receivable are stated at their net realizable value.

**Property and Equipment**

Land is carried at cost. Property and equipment are stated at cost, less accumulated depreciation. Depreciation is computed on the straight-line- method over the estimated useful lives of the assets. Leasehold improvements are stated at cost, less accumulated amortization. Assets classified as construction in process are not depreciated until the asset has been completed and placed into service.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Impairment of Long-Lived Assets**

The Credit Union periodically reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. No indications of impairment are evident at December 31, 2019 and 2018.

**Art Collection**

Art collections are capitalized at their cost at the date of purchase or, if the items were contributed, at their fair or appraised value at the contribution date.

**NCUSIF Deposit**

The deposit in the National Credit Union Share Insurance Fund (NCUSIF) is accordance with National Credit Union Administration (NCUA) regulations, which require the maintenance of a deposit by each insured credit union in an amount equal to one percent (1%) of its insured shares. The deposit is refunded to the credit union if its insurance coverage is terminated, it obtains its insurance coverage from another source, or the operations of the fund are transferred from the NCUA Board.

**Assets Acquired in Liquidation of Loans**

Assets acquired in satisfaction of loans are initially recorded at the fair value of the real estate or repossessed property less the cost of selling it at the date of foreclosure or repossession. At the time properties are acquired in full or partial satisfaction of loans, any excess of the loan balance over the estimated fair value of the property is charged against the allowance for loan and lease losses. After foreclosure or repossession, these properties are carried at the lower of cost or fair value less estimated cost to sell based on recent appraised values or options to purchase the foreclosed or repossessed property. Any excess of the carrying value over the estimated fair value, less estimated costs to sell, is charged to non-interest expense. The costs and expenses associated to holding these properties in portfolio are expensed as incurred.

**Members' Shares Accounts**

The dividend rates are set by the Board of Directors based on an evaluation of current and future market conditions. Dividends on members' shares accounts are based on available earnings at the end of the corresponding period and are not guaranteed by the Credit Union. Dividends are credited to the members' share accounts on the last day of the month for which dividends are declared. Members share accounts are subordinated to all other liabilities of the Credit Union upon liquidation.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

### **Members' Equity**

The Credit Union is required by regulation to maintain a statutory reserve. This reserve, which represents a regulatory restriction of retained earnings, is not for the payment of dividends. The statutory reserve consists of \$3,811,746 for 2019 and 2018.

### **Comprehensive Income**

Comprehensive income consists of net income and other comprehensive income/(loss). Other comprehensive income/(loss) includes unrealized gains and losses on investment securities available-for-sale securities.

### **Advertising and Promotional Costs**

Advertising and promotional costs are expensed as incurred.

### **Federal and State Income Taxes**

The Credit Unions is exempt, by statute, from federal and state income taxes.

### **New Accounting Update Not Yet Adopted**

*Measurement of Credit Losses on Financial Instruments.* In June 2016, the Financial Accounting Standards Board (FASB) issued ASU No. 2016-13, which includes an impairment model (known as the current expected credit loss (CECL) model) that is based on expected losses rather than incurred losses. Under the new guidance, an entity recognizes as an allowance its estimate of expected credit losses. The new standard is effective for the Credit Union for annual periods in fiscal years beginning after December 31, 2022, that is, for fiscal year 2023 (an additional one-year deferral was proposed due to coronavirus pandemic). The Credit Union has not yet determined the effect of the new standard on its current policies for measurement of credit losses on financial instruments.

*Leases.* In February 2016, the FASB issued ASU No. 2016-02, Leases, which is intended to increase transparency and comparability of accounting for lease transactions. The ASU will require lessees to recognize most leases on the balance sheet as lease assets and lease liabilities and will require both quantitative and qualitative disclosures regarding key information about leasing arrangements. Lessor accounting is largely unchanged. The guidance is effective December 31, 2020 with an option to early adopt. The Credit Union is evaluating whether to early adopt and the effect that ASU 2016-02 will have on its consolidated financial statements, regulatory capital, and related disclosures.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

For the years ended on December 31, 2019 and 2018

**3. BUSINESS COMBINATION**

On August 1, 2018, the Credit Union entered into a Merger Agreement (“the Agreement”) with Borinquen Sur Federal Credit Union (BSFCU). Under the terms of the Agreement, the Credit Union acquired all assets, rights, and property and assume all liabilities of BSFCU.

The applicable provisions of Accounting Standards Codification (“ASC”) 805, “Business Combinations” and the operations of the merged entities are included with the Credit Union’s consolidated balances as of the effective dates of acquisition. Under this guidance, the assets acquired, and liabilities assumed for credit union merger are recorded at their respective fair values at the effective date of the merger. If the fair value of the acquired liabilities exceeds the fair value of the acquired assets, then goodwill is recorded; however, if fair value of assets acquired exceeds the fair value of liabilities assumed and entity value acquired, then the difference is recognized in the Credit Union’s income statement- other non-interest income- as a merger purchase gain. In the transaction the Credit Union acquired assets with a fair value of \$9,953,390 and assumed liabilities with a fair value of \$9,302,235 for a residual merger gain of \$651,155 which was included within other non-interest income during the year ended December 31, 2018.

**4. CASH AND CASH EQUIVALENTS**

As of December 31, 2019, and 2018, the balance of cash and cash equivalents consisted of the following:

	<u>2019</u>	<u>2018</u>
Cash in banks	\$ 8,985,922	\$ 9,298,842
Petty cash	200	200
Change Fund	1,256,287	1,141,556
Certificates of Deposits with less than 3 months	250,000	-
Total cash and cash equivalents	<u>\$ 10,492,409</u>	<u>\$ 10,440,598</u>

**5. CERTIFICATES OF DEPOSITS**

As of December 31, 2019, and 2018, the Credit Union maintains certificates of deposits mostly in denominations of \$250,000 and \$100,000. The schedules maturities are as follows:

	<u>2019</u>	<u>2018</u>
Due in one year or less	\$ 43,367,289	\$ 26,250,055
Due after one year through three years	18,489,000	12,344,000
Total certificates of deposits	<u>\$ 61,856,289</u>	<u>\$ 38,594,055</u>

Caribe Federal Credit Union  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
For the years ended on December 31, 2019 and 2018

---

**6. INVESTMENT SECURITIES**

At December 31, 2019 and 2018 the investment securities were as follows:

	<u>2019</u>	<u>2018</u>
Investment securities:		
Available for Sale	\$ 11,817,052	\$ 17,595,330
Held to maturity	6,045,301	10,894,670
Total investment securities	<u>\$ 17,862,353</u>	<u>\$ 28,490,000</u>

As of December 31, 2019, and 2018, the amortized cost and the estimate fair market value of investment securities available-for-sale and held-to-maturity are as follows:

		<u>2019</u>		
<u>Available for sale:</u>

Total loans to members, net	<u>\$ 313,873,099</u>	<u>\$ 297,810,461</u>

**Loans Held for Sale**

During the year ended December 31, 2019, the Credit Union sold mortgage loans classified at December 31, 2018 as held for sale. The outstanding balance of the mortgage loans was \$4,002,176 and loans carried net unamortized deferred origination fees of \$58,052 for a net loan held for sale balance of \$3,944,124. The proceeds of the sale were \$9,263,023 and a net gain of \$212,156 was recognized in the transaction which is included within interest and fees on loans.

**Allowance for Loan Losses**

The allowance for loan losses reflects management judgement of probable loan losses inherent in the portfolio at balance sheet date. The Credit Union uses a disciplined methodology to establish the allowance for loan losses each quarter. A minimum of 1.20% of the outstanding loans portfolio is required by policy. To determine the total allowance for loan losses, management estimates the provision needed for each segment of the portfolio,

## 7. LOANS (CONTINUED)

including loans analyzed individually and loans analyzed on a collectively basis. The allowance for loan losses consists of amounts applicable to: (1) consumer loans (personal auto, mortgage, line of credit and credit card) and (2) commercial loans portfolios.

The establishment of the allowance for loan relies on a consistent process that requires multiple layers of management review and judgment and responds to changes in economic conditions, member behavior, and collateral value, among other influences. From time to time, events or economic factors may affect the loan portfolio, causing management to provide additional amounts to or release balances from the allowance for loan losses. The Credit Union's allowance for loan losses is sensitive to individually evaluated loans, economic conditions, and delinquency trends. Individually loans are evaluated based on each situation by experienced collection officers and reviewed by management.

Additions to the allowance for loan losses are made by charges to the provision for loan losses. Credit exposures deemed to be uncollectible are charged ("charge -off") against the allowance for loan losses. Recoveries of previously charged off amounts are credited to the allowance for loan losses.

### **Loan Charge-Offs**

Loans recommended for charge-off must meet at least one of the following standards:

- A non-performing loan more than six month past due without a payment of at least 75 percent of a regular monthly installment within the last 90 days. In cases of non-performing loans, transfers from shares and proceeds from the sale of collateral generally do not constitute "payments";
- A loan in bankruptcy, within 60 days of receipt of notification of filing from the bankruptcy court, unless the credit union can clearly demonstrate and document that repayment is likely to occur. Loans with collateral may be written down to the value of the collateral, less cost to sell. However, in Chapters 11 and 13 bankruptcy proceedings, if the court lowers the amount that the borrower must pay, the credit union should immediately charge off that portion of the debt discharged by the court;
- A fraudulent loan, no later than 90 days of discovery or when the loss is determined, whichever is shorter;
- On the death of the debtor, there appears to be little hope that there are sufficient assets available from the estate or from insurance to recover the debt;

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

For the years ended on December 31, 2019 and 2018

---

**7. LOANS (CONTINUED)**

- On liquidation of the collateral, a deficiency balance exists, and the borrower(s) has indicated that no further payments are forthcoming;
- Where CFCU has foreclosed an estimate loan loss, but has not yet sold the collateral on hand, CFCU may transfer the loan balance into the Collateral in Process of Liquidation account. It should charge-off any outstanding loan balance in excess of the property, less the cost to sell;
- Where CFCU has foreclosed an estimate loan loss, but has not yet sold the property securing the real estate loan at the fair value of the property, CFCU may transfer the loan balance into the Other Real Estate Owned (OREO) account and should charge-off any outstanding loan balance in excess of the value of property, less cost to sell;
- A delinquent loan in the hands of an attorney or collection agency, unless there are extenuating circumstances to indicate CFCU will collect the loan;
- A loan deemed uncollectible, where additional collection efforts are non-productive regardless of the number of months delinquent;
- A “skip” where the credit union has had no contact for 90 days.

When a loan meeting of the above criteria is not recommended for charge-off, the collections department will report that fact to the board of directors in a separate written report. The report will include an explanation as to why the loan should be kept open and not assigned to nonperforming asset status (e.g., the debtor has agreed to and is making regular periodic payments).

A summary of the changes in the allowance for loan losses, by portfolio segment, is as follows:

**Non-Accruing Loans**

The Credit Union generally places loans on nonaccrual status when the full and timely collection of interest or principal becomes uncertain, part of the principal becomes uncertain, part of the principal balance has been charged off and no restructuring has occurred, or the loans reach over 89 days past due.

Loans in which the accrual of interest has been discontinued or reduced amounted to \$3,748,963 and \$1,303,097, at December 31, 2019 and 2018, respectively. If interest on those had been accrued, such income would have approximately \$334,519 and \$152,256, at December 31, 2019 and 2018, respectively.

The following table summarizes the aging of the loans' receivable portfolio:

<b>December 31, 2019</b>	<b>Age Analysis of Loan to members Receivables by Category as of December 31, 2019</b>				<b>Over 90 Non Accruing</b>

**Credit Quality Information**

**Consumer Loans** - The use of risk classifications in consumer loans allows management to estimate their exposure to different types of risk. The Credit Union has established policies to evaluate application for loans using FICO credit scores, among other information, provided by major credit reporting agencies. A FICO score is a credit score developed by a third party that take information and analyze it to predict consumer behavior, such as how likely someone is to pay their bills on time or not, or whether they are able to handle a larger credit line. Generally, the FICO score range is 300 to 850, with the higher number representing less risk to the lender.

**Credit Quality Levels, Credit Score and Loans' Risk Exposure**

The different levels of risk of loss established internally by the Credit Union according to the FICO credit scores are as follows:

**Upper Level** - 700 or more, member has little or no additional risk.

**Middle Level** - 660 to 699, member represents a nominal risk of loss.

**Lower Level** - 659 or less, member is experiencing some degree of financial difficulty, and represents a potential risk of loss.

Caribe Federal Credit Union  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
For the years ended on December 31, 2019 and 2018

---

**7. LOANS (CONTINUED)**

These levels are reviewed periodically, as well as other statistics and external factors, to monitor the performance of the portfolio.

The following table represents the recorded investment in consumer loans based on different levels of risk of loss for the years ended December 31, 2019 and 2018.

<b>Credit Quality Levels</b>	<b>December 31, 2019</b>		<b>December 31, 2018</b>	
	Loans Balance	%	Loans Balance	%
Upper Level	\$ 246,740,076	85%	\$ 210,212,049	76%
Middle Level	24,118,003	8%	59,207,040	21%
Lower Level	19,235,578	7%	8,905,237	3%
	290,093,657	<u>100%</u>	278,324,326	<u>100%</u>
Credit score not available	2,930,239		2,454,274	
Total consumer loans	<u>\$ 293,023,896</u>		<u>\$ 280,778,600</u>	

**Commercial Loans** - The Credit Union categorizes member business loans into risk categories based on relevant information about the ability of the borrower to service their debts such as current financial information, historical payment experience, credit documentation, public information, and current economic trends, among other factors. The Credit Union analyzes member business loans individually by classifying the loans as to credit risk. This analysis is limited to member business loans. The Credit Union uses the following definitions for classified risk rating:

**Pass** - The debtor has adequate capital and the ability to repay the debt in the normal course of operations.

**Special Mention** - The loan has the potential weakness, such as negative financial trends, a limited financial history, a serious documentation flaws, or inadequate control on the part of the financial institution. If left uncorrected, these potential weaknesses may result in deterioration of the repayment prospects for the asset. However, a loan rated “special mention” is considered fully collectible.

**Substandard** - A loan is “substandard” if there is the potential for loss. Such loans have well-defined weakness and are not fully protected either by the paying capacity of the borrower or the value of the secondary source of repayment. These loans are characterized by the distinct possibility that your financial institution could sustain some loss if the deficiencies are not corrected.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

For the years ended on December 31, 2019 and 2018

**7. LOANS (CONTINUED)**

**Doubtful and loss** - The lowest risk ratings of “doubtful” and “loss” indicate increased loss potential. Such loans should have been already recognized and, more than likely, charged off.

At December 31, 2019 and 2018 and based on the most recent analysis performed, the risk category of loans is as follows:

	<b>December 31, 2019</b>				<b>Total</b>
	<b>Pass</b>	<b>Special Mention</b>	<b>Substandard</b>	<b>Doubtful or Loss</b>	
Commercial	\$ 14,712,399	\$ 6,699,657	\$ 981,457	\$ 2,933,286	\$ 25,326,799

**Impaired Loans**

The following table includes the recorded investment and unpaid principal for impaired loans receivables with associated allowance amount. The Credit Union determined the specific allowance based on the net charge-off experience for the last two years, the specific losses estimated on an individual basis, the present net value of future cash flows, discontinued at the loan’s effective rate for troubled restructuring (TDR) and in cases of collateral depended loans, the fair value of the collateral fewer selling costs.

	<b>Impaired Loans by Category for the year ended December 31, 2019</b>		<b>Impaired Loans by Category for the year ended December 31, 2018</b>

Total	<u>\$ 6,019,290</u>	<u>\$ 1,165,363</u>	<u>\$ 3,585,539</u>	<u>\$ 563,976</u>

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

For the years ended on December 31, 2019 and 2018

**7. LOANS (CONTINUED)**

Loans secured by collateral consist of \$228,879,566 and of \$225,301,580 for 2019 and 2018, respectively. The remaining balance represents loans partially secured and unsecured. The collections from most of the members' loans are by direct deposit through payroll deduction.

**Troubled Debt Restructuring (TDR)**

In situations where, for economic or legal reasons related to a member's financial difficulties, the Credit Union grants a concession for the other than an insignificant period of time to the member that the Credit Union would not otherwise consider, the related loan is classified as a troubled debt restructuring (TDR). The Credit Union strives to identify members in financial difficulty early and work with them to modify to more affordable terms before their loan reaches nonaccrual status. In cases where the Credit Union grants to the member new terms that provide for a reduction of either interest or principal (on non-collateral dependent loans) measures any impairment based on the present value of expected future cash flows at the loan effective interest rate.

The following table presents the restructured loans by category:

	<b>For the year ended December 31, 2019</b>					
	<b>Restructured Loans</b>			<b>Delinquent Loans</b>		
	Loans Count	Principal Balance	Assigned Allowance	Loans Count	Principal Balance	Assigned Allowance
Consumer:

**Loans to Related Parties**

Certain officers, directors, and employees of the Credit Union had loans and share accounts with the Credit Union during 2019 and 2018. Such loans were in the ordinary course of business at normal credit terms including interest rates and collateralization and do not represent more than a normal risk of collection. Total loans outstanding to these related parties at December 31, 2019 and 2018, amounted to \$2,057,736 and \$1,999,701, respectively. Share accounts to these related parties at December 31, 2019 and 2018 amounted to \$4,815,191 and \$4,543,357, respectively.

**8. ACCRUED INTEREST RECEIVABLE**

At December 31, 2019 and 2018, the following are the components of accrued interest receivable:

	<u>2019</u>	<u>2018</u>
Accrued interests on loans	\$ 836,222	\$ 751,163
Accrued interests on investments	215,689	132,046
Total accrued interest receivable	<u>\$ 1,051,911</u>	<u>\$ 883,209</u>

**15. DEFERRED COMPENSATION PLAN**

The employees of the Credit Union participate in a group deferred compensation plan through contributions to a life annuity accumulation contract administered by an insurance company. The plan was effective on October 1, 1993. The Credit Union matches the participant's contribution up to a 5% of the employee compensation. All participants contribute at least 3% of their total gross compensation. The participants' annual deposit should not exceed \$15,000 from the gross compensation or \$16,500 for participants over 50 years old.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

For the years ended on December 31, 2019 and 2018

---

**15. DEFERRED COMPENSATION PLAN (CONTINUED)**

Employees are eligible to enter the plan if they have attained eighteen (18) years old and completed twelve months of service. The normal retirement date is the first day of the month after the participants 62<sup>nd</sup> birthday and after completing twenty (20) years of service.

The plan also provides for early retirement. A participant may elect to retire at any time after attaining fifty-five (55) years old and completing seven (7) years of service. Vesting is accumulated after the second year on the plan for a period of five years at 20% per year. At termination of employment, the vested portion of a participant's account will be paid following the next annual benefit payment date.

During the years ended December 31, 2019 and 2018, the Credit Union contributed \$114,257 and \$119,229, respectively, to the pension plan.

**16. UNCERTAINTIES, COMMITMENTS AND CONTINGENCIES**

**Economic Conditions**

The Commonwealth of Puerto Rico and its instrumentalities (Commonwealth) is currently experiencing a severe fiscal, economic and liquidity crisis. On June 30, 2018, the President of the United States signed the Puerto Rico Oversight, Management, and Economic Stability Act (PROMESA). Consequently, there is no assurance that the federally appointed oversight board of PROMESA will be successful in achieving budgetary and fiscal balance through a debt restructuring and a multi-year fiscal plan. The Credit Union continues to take steps to mitigate the possible effect in payment of loans by the reserve for bad debts maintaining 1.20% of total loans as of December 31, 2019 and 2018.

**Litigation**

The Credit Union maintains several claims against third parties, mainly demands payment of money and repossessions of assets, as part of its ordinary operations as a financial institution. Based upon counsel and management's opinion the outcome of such matters is not expected to have a material adverse effect on the Credit Union's financial condition.

*The Remainder of This Page Was Left in Blank Intentionally*

**16. UNCERTAINTIES, COMMITMENTS AND CONTINGENCIES (CONTINUED)**

**Loan Commitments**

At December 31, 2019 and 2018, the Credit Union had outstanding the following commitments to extended credit with its members:

<u>Lines of Credit</u>	<u>2019</u>	<u>2018</u>
Commercial	\$ 86,785	\$ 652,380
Consumer	1,207,269	1,174,201
Credit Cards	22,780,003	21,328,664
	<u>\$ 24,074,057</u>	<u>\$ 23,155,245</u>

In addition, the Credit Union had pending to deliver certain payments to auto dealers subject to the presentation of required documents. As of December 31, 2019, and 2018, payments amounted to \$3,202,390 and \$2,812,770, respectively, and are recorded as accounts payable to dealers in the accompanying financial statements.

The Credit Union is a party to financial statements with off- balance sheet risk in the normal course of business to meet the financing needs of its members. These financial statements include commitments to extend credit and involve, to varying degrees, elements of credit and interest risk in excess of the amount recognized in the statement of financial position. The contractual notional amounts of those instruments reflect the extent of the Credit Union has classes of financial instruments.

The Credit Union's exposure to credit loss in the event of nonperformance by the other party to the financial statements for commitments to extend credit is represented by the contractual notional amount of those instruments. The Credit Union uses the same credit policies in making commitments as it does for on-balance-sheet instruments. Unless noted otherwise, the Credit Union does not require collateral or other security to support financial instruments with credit risk.

Commitments to extend credit are agreements to lend to a member if there is no violation of any condition established in the contract. Commitments generally have fixed expiration dates or other termination clauses and may require payment of a fee. Since many of the commitments are expected to expire without being drawn upon, the total commitment amounts do not necessarily represent future cash requirements. The Credit Union evaluates each member's credit worthiness on a case by case basis. The amount of collateral obtained, if deemed necessary by the Credit Union upon extension of credit, is based on management's credit evaluation of the counterpart.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

For the years ended on December 31, 2019 and 2018

---

**16. UNCERTAINTIES, COMMITMENTS AND CONTINGENCIES (CONTINUED)**

**Line of Credit**

The Credit Union has a line of credit facility with two financial institutions. As of December 31, 2019, and 2018 there are not outstanding balances in the subject lines of credit. With certain exceptions, substantially all assets of the Credit Union serve as collateral for the line of credit facility. The unused amount was \$42,485,230 and \$43,432,630 as of December 31, 2019 and 2018, respectively. Interest is charged when applicable based on the advance term, usually below prime rate.

**Lease Commitments**

Business Alliance Insurance Agency (BAIA) leases an office facility under a month to month basis to an unrelated party. On October 1, 2019, BAIA renewed this lease agreement for 25 additional months. BAIA shall have the option to extend the term of this lease. The lease requires BAIA to pay 20% of the monthly electricity bill. For the years ended December 31, 2019 and 2018, the rental expense for this lease was approximately \$14,900 and \$12,000, respectively.

The future minimum rental payments required under operating leases that have initial or remaining noncancelable lease terms more than one year as of December 31, 2019 are \$20,700 for December 31, 2020 and \$17,250 for December 31, 2021.

**17. FAIR VALUE OF FINANCIAL INSTRUMENTS**

FASB ASC 820 Fair Value Measurements provides a framework for measuring fair value that requires an entity to determine fair value based on exit price in the principal market for the asset or liability being measured. Fair Value is defined as the exchange price that would be received on the measurement date to sell an asset or the price paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The guidance also establishes a three levels fair value hierarchy that describes the inputs that are used to measure assets and liabilities.

- Level 1 asset and liability fair values are based on quoted prices in active markets for identical assets and liabilities.
- Level 2 asset and liability fair values are based on observable inputs that include: quoted market prices for similar assets or liabilities; quoted market prices that are not in an active market; or other inputs that are observable in the market and can be corroborated by observable in the market and can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 assets and liabilities are financial instruments whose value is calculated using pricing models and or discounted cash flow methodologies, as well as financial instruments for which the determination of fair value requires significant management judgment or estimation.

The estimated fair values of the Credit Union's financial statements, none of which are held for trading purposes, are as follows:

	December 31, 2019		December 31, 2018	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial Assets:				
Cash and cash equivalents	\$ 10,492,409	\$ 10,492,409	\$ 10,440,598	\$ 10,440,598
Certificates of deposits	61,856,289	61,856,289	38,594,055	38,594,055
Investment securities	17,862,353	17,863,010	28,490,000	28,494,665
Loans receivable (net of unamortized deferred origination fees)	313,873,099	302,778,869	301,754,585	268,440,983
Accrued interest receivable	1,051,911	1,051,911	883,209	883,209
Assets acquired in liquidation of loans	400,456	400,456	135,874	135,874
	<u>\$ 405,536,517</u>	<u>\$ 394,442,944</u>	<u>\$ 380,298,321</u>	<u>\$ 346,989,384</u>
Financial Liabilities				
Members' shares accounts	<u>\$ 361,820,009</u>	<u>361,820,009</u>	<u>\$ 339,816,579</u>	<u>339,816,579</u>
Off- Balance Sheet Financial:				
Commitments to extend credit	<u>\$ 24,074,057</u>	<u>\$ 24,074,057</u>	<u>\$ 23,155,245</u>	<u>\$ 23,155,245</u>

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

For the years ended on December 31, 2019 and 2018

---

**17. FAIR VALUE OF FINANCIAL INSTRUMENTS (CONTINUED)**

The carrying amounts in the preceding table that is included in the statement of financial condition under the applicable captions.

The Credit Union has no financial instruments that are held or issued for trading purposes.

The following methods and assumptions were used to estimate the fair value of each class of financial instrument:

- Cash and cash equivalents- The carrying amount approximates fair value due to the short-term nature of these instruments.
- Certificates of Deposit- For long-term certificates of deposit, fair value has been determined discounting the principal and interest to be received at rates currently offered by other financial institutions for certificates with similar terms and characteristics.
- Investment securities - Fair values have been determined using quoted market prices for all investment securities.
- Accrued Interest Receivable - The fair value of the accrued interest receivable approximates the carrying amount in the financial statements.
- Members' shares accounts:
  - (a) Regular shares and share drafts accounts - The fair value of members' regular shares and share drafts having no fixed maturity is the amount payable on demand at the reporting date.
  - (b) Share certificates - The fair value of fixed maturity members' share certificates is estimated using the rates currently offered for deposits with similar remaining maturities.
- Commitments to extend credit - The estimated fair value of the commitments to extend credit represents the Credit Union are potentially unfunded under such lines of credit.

**17. FAIR VALUE OF FINANCIAL INSTRUMENTS (CONTINUED)**

**Fair Value of Financial Instruments Measured on a Recurring Basis**

The fair values of assets and liabilities measured on a recurring basis at December 31, 2019 and 2018 are as follows:

Asset Class	Fair Value	Fair Value Measurement At Reporting Date Using:		
		Level 1	Level 2	Level 3
<b>December 31, 2019</b>				
Available-for-sale securities	\$ 11,817,052	\$ -	\$ 11,817,052	-
Held-to-maturity securities	\$ 6,045,958	\$ -	\$ 6,045,958	-
Assets acquired in liquidation of loans	\$ 400,456	-	-	\$ 400,456
<b>December 31, 2018</b>				
Available for sale securities	\$ 17,595,330	\$ -	\$ 17,595,330	-
Held-to-maturity securities	\$ 10,894,670	\$ -	\$ 10,894,670	-
Assets acquired in liquidation of loans	\$ 135,874	-	-	\$ 135,874

**18. REGULATORY CAPITAL**

As of December 31, 2019, and 2018, the Credit Union's net worth to total assets ratio is categorized as "well capitalized" as per the most recent call report. To be categorized as "well capitalized", the Credit Union must maintain a minimum net worth ratio of 7% as defined under the regulatory framework provisions of Section 38 of the FDI Act. Credit Unions whose net worth ratio falls below 7% will be subject to Prompt Corrective Actions requirements.

The Credit Union net worth ratio at December 31, 2019 and 2018 follows:

Period	Net Worth Amount	CFCU Actual	
		Net Worth to Total Assets Ratio (1)	CFCU Category (2)
2019	\$ 54,255,413	12.84%	Well Capitalized
2018	\$ 50,233,574	12.70%	Well Capitalized

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

For the years ended on December 31, 2019 and 2018

---

**18. REGULATORY CAPITAL (CONTINUED)**

- (1) In performing its calculation of total assets, the credit union used the monthly average over the quarter option, as permitted by regulation.
- (2) There are no conditions or events since the most recent Call Report that management believes have changed the Credit Union's category.

Under capital adequacy regulations and the regulatory framework for Prompt Corrective Action, the Credit Union must meet specific capital regulations that involve quantitative measures of the Credit Union's assets, liabilities, and certain off-balance sheet items as calculated under generally accepted accounting principles. The Credit Union's capital amounts and net worth classification are also subject to qualitative judgments by the regulators about components, risk weightings, and other factors.

**Risk Based Net Worth (RBNW) Ratio**

The RBNW requirement only applies to complex Credit Unions (CU) as defined by the National Credit Administration (NCUA). A complex CU is one with more than \$50 million in assets and with a risk based net worth requirement of more than 6%. The RBNW is based on risk weighting formulas on specific assets, liabilities, and off-balance sheet items which qualify under the regulations. The Credit Union RBNW ratio for 2019 and 2018 was 4.67% and 4.68%, respectively, based on most recent CALL Report.

**19. SUBSEQUENT EVENTS**

The Credit Union evaluated subsequent events through April 29, 2020, the date the consolidated financial statements were available to be issued. The Credit Union is not aware of any additional subsequent events that require recognition or disclosure in the audited consolidated financial statements.

**Coronavirus Pandemic**

The coronavirus pandemic has the potential to create significant changes for entities in the face of disruptions to global supply chains and other business activities. The stock market decline in a bear market and the severe disruption that is rapidly unfolding for many business activities are certain to have a profound effect on the results of operations of many companies. Because of the extensive and unpredictable nature of the coronavirus epidemic, circumstances can lead to reduced liquidity and revenues, impact on internal and external human resources, asset impairments, increased liabilities, and significant changes in management estimates, among other things. Management and board of directors need to work to respond to these situations, which could impact going concern considerations of the entities, in view of the circumstances amid the global coronavirus crisis. The accompanying financial statements for the years ended December 31, 2019 and 2018 do not include any adjustments related to this event.
